Jawa Perak

Design Using Figma One of my favourite personal project. Used Neomorphism Design for buttons that give a royal look to design and matches the bike. (Please zoom in buttons for more detailed view)

Milk Vendor App

Designing this app took me long as I researched every aspect. I submitted this design app in a contest held online. For more about case study of this app visit the Medium Link Provided.

Milk

Cow Milk

Values:
149 calories
7.7 g protein
11.7 g carbohydrates

Rs : 50/ltr
